Sec. 5-115. - CAT COLONY PERMITS-

- Each cat colony will be registered by the caretakers with the department or its designee who will serve as a clearinghouse for information on current caretakers, education for new caretakers, and assistance for persons found in violation of this section.
- Any feral cat picked up by the department which has an appropriate ear tip will be returned to that colony unless veterinary care is required or the criteria listed in subsection (d) apply.
- Caretakers of feral cat colonies shall obtain a cat colony permit and implement proper management and sterilization practices as required by the department. Any person or caretaker determined to be in violation of proper management and sterilization practices required by the department shall be issued a written warning and be allowed a period of time to come into compliance. That period of time shall not exceed ninety (90) days from issuance of the initial warning notice. Failure to comply shall result in a violation of this chapter, which may result in the issuance of a citation.
- The department has the right to immediately seize and remove all, or parts of any colony for the following reasons:
 1. Public health and public safety concerns including rabies, other epizootic and certain zoonoses identified by the department of health.
 2. animals creating a public nuisance as defined in section 5-150
